

CAITLYN S. NEVILLE

JUNIOR DESIGNER, BOSTON MA

Through design roles, college courses, and volunteer work I've had the opportunity to hone my skills in the realms of design, illustration, branding, print, animation, and more. Regardless of the challenge, I aim to combine meticulous research and attention to detail with creative passion, pushing myself to go beyond the expected in clearly fulfilling every brief — whether I'm completing personal projects or working with a team of stakeholders.
